7. Introduction of Ordinance NO. 300 – FY18 Operating and Capital Budget and FY18-22 Capital Improvement Program
   Mayor Shaw introduced this ordinance. The public hearing will be held at the April 10 Mayor and Town Council meeting. A public hearing about the proposed Real Property Tax will also be held on April 10.

MOTION: Council Member Betz motioned and Council President Keenan seconded to introduce Ordinance NO. 300 – FY18 Operating and Capital Budget and FY 18-22 Capital Improvement Program.

The motion carried unanimously.

The Mayor explained that instead of specifying building maintenance projects, he created a Facilities and Maintenance Reserve which will cover all Town buildings. This would also be used to replace the roof of the concession stand in Millard Cooper Park should something happen. Mark Onheiser, Special Projects Coordinator, does not believe the roof needs replacing yet. He also said that the air conditioning at the Gate House is functioning fine.

Council Member Betz asked for the correct portion of Norris Avenue that will be paved. The portion is from Braemar Court to Oklahoma Avenue.
It was explained that while Schoolhouse Road has a lower rating, six out of ten, than some of the other roads, it is not on the schedule to be paved because Carroll County has some sewer work planned. They would need to dig up the road to access the sewers, so paving will be held off until they have finished. Also, the rating comes more from the issues along sides of the road, along the gutters, than it does from the center of the road.

Council Member Carter asked about the painting for the outside of the concession stand at Millard Cooper Park. SPARC has assessed the concession stand and believes that it does not need a full repainting and a power washing will suffice. Evelyn Sweet, Town Treasurer, will remove $3,000 from this item in the Operating Budget.

It was also pointed out that the replacement generator for the Maintenance Shop was changed to $1,200 on one document only. Ms. Sweet will change it on the other documents.

There will be a budget workshop on April 11 at 5:30 P.M.

Mayor Shaw asked for any other nominations for Mayor and for Council Members. There were no additional nominations at this time.

**MOTION:** Council Member Betz motioned and Council Member True seconded to take a five minute recess at 8:40 P.M.
